Got conflict?

Are you ready
for a new
dimension
of spiritual
growth?

Even in the best of times we all have difficulty getting along.

But when situations become difficult, disagreements arise and the worst in us rises up and spills over damaging our relationships. The truth is we are sinners. And sinners sin against one another. **We are in conflict.**

The bible's answer for conflict is called "peacemaking." It is the Gospel delivered one-to-another resulting in *reconciliation*. This is supernatural, Holy Spirit activity. The power that enables our God glorifying horizontal reconciliation is drawn from the same source as the vertical reconciliation purchased for us in Christ. To live this out, *to love one another*, to be *reconciled*, we must understand peacemaking.

The systematic theology of peacemaking is transformational.

Becoming a biblical peacemaker is first learning and then practicing scriptural reconciliation.

We call this study Reconciling Relationships. It *will* change your life. You will learn how to identify idols of the heart (beginning with your own). Then using scripture, with reliance upon the Holy Spirit, you will demolish those idols. Conflict crumbles once idols are exposed and confessed and Satan is defeated. Cleansed of the log in your own eye you can then see clearly to gently assist your brothers and sisters with the specks in their eyes. Mutual confession and mutual forgiveness restore relationships. Reconciliation demonstrates the Gospel. This is the "ministry of reconciliation" given us to display to the world. This is how the world will know us...John 13: 35. Our relationships will Glorify God.

Why now?

A tidal wave of economic devastation is upon us all. This is bringing new stresses in marriages, in the workplace, with children, and everywhere we turn. Biblical peacemaking is the answer. The time to prepare is today. The world needs to see that the Gospel works. Today. And the evidence that it works is our love for one another...reconciliation.

Your opportunity

Christian Mediation Services regularly conducts our peacemaking training seminar...Reconciling Relationships. This is done over eight weeks in the style of a small group (limit 10 people). You will get to know other Christians in an intimate living room like setting. Participation can be either as couples or individuals. The Peacemaker by Ken Sande is our text and is included in the cost of registration. The cost is \$80 per person for the eight weeks.

We have found that those who complete this seminar discover a whole new level of satisfaction in their relationships. They experience their own lives change and realize the tremendous reward of "peacemakers" *who are called the sons of God.*
